More information can be found at:
http://www.akc.org/events/coursing_ability_test/

All dogs run at owner's sole risk. The hosting clubs and property owners, their agents, members, representatives, volunteers, etc. assume no responsibility for any loss, damage, or injury sustained by exhibitors and handlers or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.

ROLL CALL AND INSPECTION

All dogs must be presented for inspection without tape, bandages, wrapping, or coverings of any kind (e.g., coats and blankets). At least two persons from the Test Committee will inspect each entered dog for lameness, fitness to compete, and female estrus (in season). In their opinion, any entered dogs that is found to be lame, unfit to compete or in season will not be allowed to run. Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are old, have breathing or heart problems, are overweight, or are out of condition may be at greater risk for injury and exhaustion. The entry fee will be refunded for any dog that is not allowed to run by the inspectors.

Roll call and inspection will run continuously for the period of time listed. Bring your dog at any time during that period. Any dog that fails to present for inspection prior to the close of roll call and inspection will be marked absent. No refund will be given for an absent dog.

HOW TO ENTER

Complete an official AKC entry form for **each dog for each test, each day**, and either mail your entries and entry fee to the Event Secretary (see address on page 2 of premium list) or turn your entries in at the Event Secretary's desk on the field before the close of entries. For an entry form, see page 5 & 6 of premium list or http://images.akc.org/pdf/LureCoursing_Entry.pdf?_ga=1.139159859.1607474264.1404934555 Be sure to include the entry fee. **Make checks payable to "TSSC"**.

Each dog may only enter once per test. Enter early, as only 60 entries per event will be accepted for each test. Any dog can be registered with the AKC. If your dogs need to be registered, you can do so online at http://akc.org/canine_partners/ or by completing the Canine Partner Enrollment Application. If the latter, submit the enrollment application, along with the enrollment fees, at the time of entry to the Event Secretary. Note that Canine Partners must be spayed or neutered.

You may also enter early by mailing all forms and fees to the Event Secretary, so that it is received by the closing date and time for early entries. If your dog becomes lame, sick or in season prior to the test, do not bring the dog to the test. Instead, contact the Event Secretary to cancel your entry and your entry fee will be destroyed or otherwise refunded. Entering early is advised as each test is limited to 60 entries per event.

Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form. Follow your veterinarian's recommendations to assure that your dogs are free of parasites and any communicable diseases and have appropriate vaccinations.

No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public emergency, strikes or any other cause beyond the control of the Club or its members and representatives.

The Event Secretary must have the completed entry form and payment before a dog may be presented for inspection.

PADDOCK

We will begin running courses as soon as roll call and inspection begin. When you are ready to run your dog, bring them to the paddock, the assembly area for dogs that have passed inspection and are prepared to run. Dogs may run wearing a close fitting buckle collar. Choke collars and collars with dangling decoration will not be allowed. Hanging collars tags may be permitted if they are secured tightly to the collar, such as by tape. Slip leads can be used if the owner desires.

(continued at top of right side of the page)

PADDOCK (continued)

The Paddock Master determines the order in which dogs run. After passing inspection, you must check in with the Paddock Master to ensure that your dog has been placed in the running order. If you must leave the area, please inform the Paddock Master and then be sure to check in with the Paddock Master again when you return. In general, the Paddock Master will identify the next available dog based on the order in which they checked in to the paddock. If the previous course was run only on the first half of the total course length, the Paddock Master may select the next available dog that can be tested on the second half. If a dog is not present when it is called to run its test, the dog's name will be moved to the end of the running order. After roll call and inspection closes, any entered dog that has not yet tested and is not present within 5 minutes of completion of the last course will be marked absent and no refund will be given.

RUNNING THE COURSE

Each dog runs by itself and only one time in each testing event. They chase lures made of plastic strips that, by string and pulleys, follow a course in a field.

Any entered dog that is less than 12 inches tall at the withers or brachycephalic (i.e. flat-faced", such as a bulldog - see chart at end of premium list) will run a clearly marked 300 yard course, which must be completed in 90 seconds. Any entered dog that is more than 12 inches tall at the withers and not brachycephalic will run a clearly marked 600 yards course, which must be completed in 120 seconds. If there is a question as to which course a dog should run, the Judge will decide. *If your dog is 7 years of age or older, you may declare your dog a "veteran" prior to the start of its course. Your dog will be allowed to run two thirds of the normal distance.*

The Huntmaster is responsible for field safety and, therefore, is in complete charge of the dog and handler on the field. In service to this responsibility, the Huntmaster has the authority to stop the lure at any potentially dangerous situation and signal the handler to retrieve their dog. The handler should retrieve their dog promptly at the end of the course. Listen to the Huntmaster and follow their instructions promptly and swiftly.

The Coursing Ability Test (CAT) is a pass/fail test. In order to pass the dog must chase the plastic lure and complete the course one time, by itself, with enthusiasm and without interruption, within the allotted amount of time.

(continued at top of next page)

RUNNING THE COURSE (continued)

Any decision made by the event's officiating judge regarding the performance of an entered dog shall be final. Full discretionary power is given to the Judge to withhold a qualification for lack of merit. The Judge is responsible for ensuring compliance with AKC Regulations on the field.

For the safety of the dog and as a courtesy to other exhibitors, your dog should have a reliable recall. A penalty of \$5 may be assessed for any dog causing an excessive delay of the event, because it cannot be recalled or retrieved from the field. Dogs that delay the event because they cannot be recalled may be refused entry at future events.

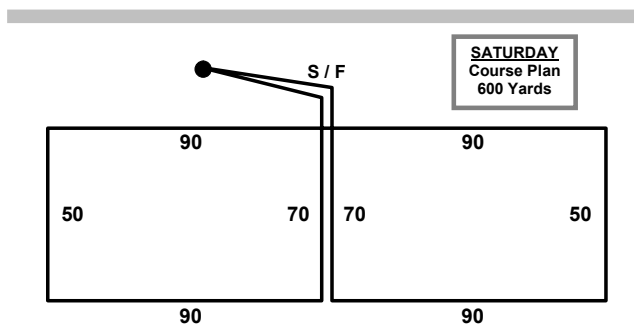

AKC TITLES

Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on the dog's pedigree with a higher level title superseding a lower level title.

Coursing Ability (CA) is awarded to a dog that passes the CAT three (3) times under at least two different judges.

Coursing Ability Advanced (CAA) is awarded to a dog that passes the CAT 10 times.

Coursing Ability Excellent (CAX) is awarded to a dog that passes the CAT 25 times. For every additional 25 passes of the CAT, a dog is awarded a high numbered title. For example, a dog that passes the CAT 50 times will earn the Coursing Ability Excellent 2 (CAX2) title, and a dog that passes the CAT 75 times will earn the Coursing Ability Excellent 3 (CAX3) title.

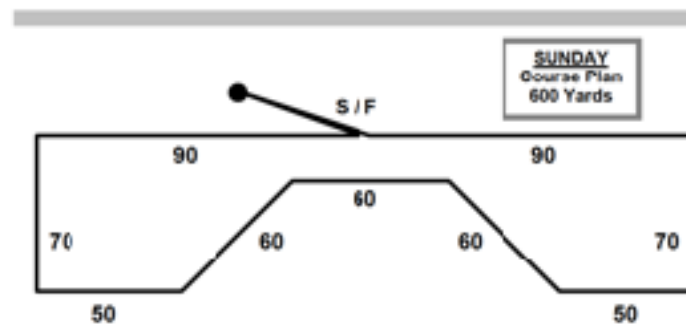

The course will be reversed for the afternoon test.

As Pre-Entries are received, they will be put in a Running Order. If one person has more than 1 dog entered they will be separated by a few dogs. At Roll Call, a mark will be made beside the dog's name to indicate they are ready to run. Day of Trial entries will go at the end of the established Running Order.

We will maintain a Rolling Roll Call; however if you have not gone through Roll Call when your name comes up, you will be moved to the end. When looking at the board, multiply each name by 2 minutes which should give you an approximate time when you will run.

The course will be reversed for the afternoon test.

You can make a difference, even if you can help out for an hour or so. If you are interested please see either Ping, Meredith or Chris at any point.

Easy ways to volunteer at a Coursing Ability Test:

Field Setup

- ◆ Come early (one hour before roll call) and start by carrying equipment.
- ◆ Learn as you go how to place pulleys and tie downs.

Field Clerk

- ◆ Volunteer to help the field clerk
- ◆ Learn how results are recorded.
- ◆ The benefit is you will get a perspective on the course.

Runner

- ◆ Volunteer to run paperwork from the field clerk to the field trial secretary.

Lure Operator

- ◆ Hang around and talk to the lure operator between courses
- ◆ If you are interested, try running the lure around before the trial, at lunch or after the trial.

THANK YOU FOR VOLUNTEERING.

Everyone will appreciate your efforts, and the test will run more smoothly.
